Robotics Club Workshop Report

The Robotics Club successfully hosted a workshop introducing students to Arduino as a part of our club event.

- ❖ Name of Event: Arduino Workshop
- ❖ Name of Club: Robotics Club
- ❖ Date: 26 August 2023(Saturday)
- ❖ Time: 10:00 AM-12:30 PM
- ❖ Venue: LT-4
- ❖ Topics we covered in workshop –

(1) Arduino Hardware

(2) Tinker cad

(3) Arduino IDE

(4) Basic of Electronics Component used in Robotics

- We also taken ideas from the students about what we should teach in upcoming workshop and what they expect from Robotics club. Also taken their projects idea related to Robotics.

Dr. Nikhil Sharma

Faculty Advisor
