(to be held on 29th January, 2025 at 4.00 PM at Niti Sabhagar, Prabha Bhawan, MNIT, Jaipur)

Items for consideration

Item No. 57-1.1 To consider the proposal for revising Guidelines for Unfair Means.

The present guidelines for unfair means were approved in the 26th Senate meeting held on 1st June, 2013. These guidelines implement stepwise penalties rather than linear penalties. Over time, with changes in the Grading System and Curriculum Structure in accordance with NEP 2020, a revision is necessary to address various aspects.

The Office of the Dean (Academic) has proposed a revised Standard Operating Procedure (SOP) and updated guidelines for penalties related to the use of unfair means during examinations (MTE/ETE). The revised guidelines clearly define the severity levels of offenses and address repeated violations.

The existing and proposed guidelines for SOP and Unfair Means are placed at **Annexure-A**.

Item is placed for consideration.

Item No. 57-1.2 To consider the Exit options and eligibility conditions applicable to all UG students graduating from the academic year 2022-2023 onward.

The following Exit options and eligibility conditions were approved in the 44th Senate meeting held on 8th April 2022. It is proposed that these exit options and eligibility conditions be applicable to all students enrolled in UG programs and graduating from the academic year 2022-2023 onward.

Item is placed for consideration and approval.

Item No. 57-1.3 To consider the mercy request of Harsh Meena (2022UMT1882) for continuing B.Tech. programme.

The mercy request of Harsh Meena (2022UMT1882) for continuing the B.Tech. programme was discussed in the 47th SUGB meeting held on 23 and 27.01.2025. The recommendations are as follows:

S. No.	Name & ID	Recommendation of DUGC	Justification & Recommendation of SUGB
1.	Harsh Meena (2022UMT1882) registration has been terminated by Senate resolution No. Senate-55/2024/09 due to zero SGPA/CGPA even after a year back.	Mr. Harsh Meena (2022UME188) was suffering from depression and was not able to focus on his studies. The DUGC recommended giving one more chance to register in 1 st year and a continuing degree in MNIT Jaipur on Medical Ground and consider his matter sympathetically.	SUGB, looking at the medical & health issues of harsh Meena, SUGB recommended the mercy request to the Senate to allow him another chance with a year back to clear the required number of credits for continuation of B.Tech. Program. He has to complete the minimum credit requirement required for the degree within the specified period. He will not allow any further semester withdrawal.

Item is placed for consideration.

Item No. 57-1.4 To consider the mercy requests of three students who have not registered in some courses but appeared in the End-Term Examination of Odd Semester 2024-25.

The students Trisha Kedia (2022UEC1536), Ayush Kumar (2022UEC1751) and Adarsh Shrivastava (2021UEC1415) have submitted the mercy requests stating that they failed to register in the respective courses on the ERP portal due to unintended oversight. They sincerely apologize and will take utmost care to avoid such mistakes in the future.

The DUGC of the Department of Electronics and Communications has initiated the following precautionary measures to avoid such matters in the future:

- a. The program advisor will convey a list of courses to be registered to the students at the start of the semester.
- b. The course coordinator will ensure that all the students have registered for the course.
- c. DUGC will issue necessary advisories related to course registration to program advisors, course coordinators, and students.

The above mercy requests were discussed in the 47th SUGB held on 23&27.01.2025, and the SUGB recommended to the Senate as under:

S. No.	Name, ID and courses not registered	Justification of DUGC	Recommendation of DUGC	Justification & Recommendation of SUGB
1.	Trisha Kedia (2022UEC1536), 21ECT871-VLSI Testing and Testability	Ms. Trisha Kedia could not complete the course registration by mistake	Looking at the students' interest and its impact on their future, the DUGC recommends that the courses be registered as a one-time measure.	As per UG Rules and Regulations, it is not admissible to register a student after the date of late registration. However, because students have attended the classes regularly and appeared in the Mid Term and End Term Examination, it is recommended that one-time permission may be granted for late registration.
2.	Ayush Kumar (2022UEC1751), 21ECT871-VLSI Testing and Testability	Mr. Ayush Kumar could not complete the course registration by mistake		
3.	Adarsh Shrivastava (2021UEC1415), ECD498- Major Project A ECP483- System Design Lab-1 ECS481- Training Seminar	Mr Adarsh Shrivastava was on a semester-long internship and was not physically present
