

Report on the 10th Vibrant India 2024 fair (25th to 27th October 2024)

The 10th edition of the Vibrant India fair 2024. The 10th Vibrant India 2024 fair to showcase the achievements and schemes of the government at Delhi Haat (Pitampura). The fair is scheduled to be held at Delhi Haat-Pitampura from 25th to 27th October 2024.

The fair served as a platform for students, startups, and industry leaders to engage, collaborate, and explore new business opportunities.

It's marked a significant milestone in showcasing innovation, entrepreneurship, and industry-academia collaboration at MNIT Jaipur.

Key Highlights:

- **Exhibitions and Demonstrations:** The fair featured a diverse range of exhibits, including technological innovations, startup products, and research projects developed by MNIT students and faculty.
- **Networking Opportunities:** The event facilitated networking between students, entrepreneurs, and industry professionals, fostering collaborations and partnerships.

Impact:

The 10th Vibrant India Fair successfully highlighted the entrepreneurial spirit and innovative capabilities of MNIT Jaipur, contributing to the institute's mission of bridging the gap between academia and industry. It provided a platform for students to showcase their talents and for industry professionals to identify emerging trends and potential collaborations.
