

Report on "Tech Per Trade" Event

Date: - 5 November 2023

Location: - VLTC 106

Introduction:

The Finance Club of the Malaviya National Institute of Technology (MNIT) organized the "Tech Per Trade" event on 4th November 2023, featuring a paper trading competition. The event aimed to provide students with practical experience in stock trading and promote healthy competition among participants from various colleges. It was conducted in an enjoyable and engaging manner, with the implementation of fair play rules for transparency. We witnessed a participation of around 70 people coming from universities across Jaipur.

Event Highlights:

1. **Paper Trading Competition:** - The core of the event was a paper trading competition, enabling participants to simulate real stock trading without real money.
2. **Inter-College Competition:** Students from different colleges participated, enhancing the competitive spirit and diversity.
3. **Real-time Trading Simulations:** Participants experienced real-time trading simulations, applying their trading strategies risk-free.
4. **Jovial Atmosphere:** The event was conducted in a friendly and enjoyable atmosphere, encouraging knowledge sharing and idea exchange.
5. **Fair Play Rules:** To ensure integrity, rules required participants to send screenshots of all trades to a WhatsApp group, preventing cheating.

Outcomes:

1. **Hands-on Learning:** Participants gained practical trading experience and a deeper understanding of the stock market.
2. **Competition Spirit:** The inter-college competition motivated students to test their skills in a competitive setting.
3. **Positive Feedback:** The event received acclaim for its enjoyable and engaging format.
4. **Skill Development:** Participants improved their analytical and decision-making skills.

Future Plans:

The Finance Club at MNIT plans to continue organizing similar paper trading competitions and other financial events, expanding opportunities for students to enhance their financial knowledge and skills.

Conclusion:

The "Tech Per Trade" event was a successful endeavor by the Finance Club, providing practical learning, fostering competition, and creating an enjoyable environment for students. It highlighted the club's commitment to empowering students with hands-on financial experience and promoting financial knowledge and skills.

Workshop Overview:

The Finance Club of MNIT organized a highly informative and engaging workshop on "Portfolio Building" conducted by Mr. Ajit Mishra, a seasoned Technical Analyst at Religare Broking, along with his fellow mates. The workshop focused on imparting financial literacy and practical knowledge about technical analysis to students. The event extended for 2.5 hours and attracted an impressive turnout of approximately 80 students.

Workshop Highlights:

- 1. Financial Literacy:** Mr. Ajit Mishra began the workshop by emphasizing the critical importance of financial literacy in today's world. He explained the significance of understanding financial concepts and strategies to make informed decisions.
- 2. Technical Analysis Simplified:** Mr. Mishra's expertise in technical analysis shone as he delivered the complex subject matter in a simple and easily comprehensible language. He used real-life examples and analogies to make the content more accessible to the participants.
- 3. Portfolio Building:** The core of the workshop revolved around the concept of portfolio building. Mr. Mishra elaborated on the principles of constructing a diversified portfolio, balancing risk and return, and the role of different asset classes.
- 4. Practical Exercises:** Participants engaged in practical exercises and simulations related to portfolio building, allowing them to apply the concepts they learned during the session.

Impact and Feedback:

The workshop left a significant impact on the participants:

1. **Enhanced Knowledge:** Students gained a deeper understanding of financial concepts and technical analysis, empowering them to make informed investment decisions.
2. **Simplified Learning:** Mr. Mishra's teaching style, focusing on simplicity and real-world applicability, resonated with the students and made the topic more approachable.
3. **Positive Feedback:** Participants expressed their satisfaction with the content and delivery of the workshop, praising the clarity and effectiveness of the session.
4. **Increased Interest:** The event sparked a renewed interest in portfolio management and investment strategies among the attendees.

Future Prospects:

The success of the "Portfolio Building" workshop underscores the value of such educational events for the students of MNIT. The Finance Club intends to continue organizing similar sessions, inviting experts from various financial fields to provide valuable insights and practical knowledge. Future events will aim to further promote financial literacy and empower students to make informed financial decisions.

In conclusion, the "Portfolio Building" workshop, led by Mr. Ajit Mishra and his team, was a highly beneficial and well-received event. It successfully fulfilled its objective of enhancing financial literacy and introducing technical analysis to students in an understandable manner. The Finance Club looks forward to organizing more such enlightening events in the future.

Sincerely,
